

## TECHNICAL DATA SHEET

F&L Nitrous Plus is for large cubic inch racing engines using large or multi-stage nitrous fogger systems. Excellent detonation protection additives make it the perfect choice for the extreme pressures created in the combustion chamber.

Fuel Family: ..... Leaded Racing Fuel  
 Fuel Name: ..... Nitrous Plus  
 Octane (R+M)/2: ..... 123.0+  
 RON: ..... 123.0+  
 MON: ..... 123.0+  
 Specific Gravity: ..... 0.710  
 RVP: ..... 3.90  
 Oxygenated: ..... No  
 Leaded: ..... Yes  
 Stoichiometric Ratio: ..... 15.00  
 Color: ..... Pink
